Article 1: Purpose and Objectives

1.01 Purpose

1.01.1 The Board of Governors of The University of Lethbridge and The University of Lethbridge Faculty Association recognize that the main purposes of the University are:

- (a) to promote the disinterested pursuit of truth and advancement of knowledge;
- (b) to promote the generation and transmission of knowledge with proper consideration given to the need for an educated citizenry; and
- (c) to give appropriate consideration to society's needs for expert advice as well as pure and applied research.

1.01.2 The common good of society depends upon the search for truth and its free exposition. Academic Freedom is essential to these purposes:

- (a) Members are entitled to the freedom to carry out research and to publish the results, to the freedom to teach and discuss their subjects, and to the freedom from institutional censorship;
- (b) Academic Freedom carries with it the duty to use that freedom in a responsible way;
- (c) Academic Freedom does not confer legal immunity; nor does it diminish one's obligation to meet one's responsibilities under this Collective Agreement.

1.02 Objectives

1.02.1 The main objectives of this Collective Agreement are the specification of the terms and conditions of employment of Academic Staff and the principles and procedures that reflect procedural fairness for academic personnel decisions, the peaceful settlement of all disputes, misunderstandings and grievances, and the promotion of harmonious relations between the Board and the Association.

- 1.02.2 The Board and the Association acknowledge that
- (a) *they have a joint responsibility for the reasonable and just execution of the terms of the Collective Agreement; and*
 - (b) subject to the provisions of the Post-Secondary Learning Act, Labour Relations Code, and all applicable provincial and federal statutes, this Collective Agreement is binding on the Association, the Academic Staff, and the Board.
- 1.02.3 Toward these ends, any invocation of [Article 22](#) regarding a Collective Agreement procedure in progress shall stay the procedure pending a resolution of the interpretation or grievance, unless the Parties mutually agree otherwise.

Article 11: Rights and Responsibilities

11.01 Academic Freedom

- 11.01.1 The Board and Association recognize the need to protect academic freedom. Academic freedom is generally understood as the right to teach, engage in scholarly activity, and perform service without interference and without jeopardizing employment. This freedom is central to the University's mission and purpose and entails the right to participate in public life, to criticize University or other administrations, governments or public figures, to champion unpopular positions, to engage in frank discussion of controversial matters, to raise questions and challenges which may be viewed as counter to the beliefs of society,

and to act according to the Member's standards as a professional in the Member's field.

- 11.01.2 Academic freedom carries with it the duty to use that freedom in a manner consistent with the scholarly obligation to base teaching, scholarly activity and service in an honest and careful search for knowledge.
- 11.01.3 Members shall respect the academic freedom of others despite differences of opinion.
- 11.01.4 Academic freedom does not diminish the obligation of Members to fulfill their duties and responsibilities as defined within this Collective Agreement.
- 11.01.5 The Board and the Association recognize their respective responsibilities to defend academic freedom as specified in [Article 11](#). These responsibilities include, but are not limited to:
 - (a) providing legal support to Members in matters that arise from the exercise of academic freedom in accord with [Article 11](#);
 - (b) educating Members on the rights and responsibilities related to academic freedom; and
 - (c) promoting academic freedom.
- 11.01.6 When addressing themselves to the community at large, Members retain the rights and responsibilities which flow from the concept of academic freedom as defined in [Article 11](#).

11.02.4 Prospective or former Members shall not be expected to perform duties before or after the term of their appointment without being appropriately compensated, when those duties are related to their appointment as a Member. Compensation shall be on a pro-rated basis, based on the rate associated with the Member's contract.

11.02.5 Freedom from Discrimination

- (a) There shall be no unfair discrimination, interference, restriction or coercion practiced with respect to any Member in regard to any terms or conditions of employment by reason of age, race, colour, ethnicity, national origin, philosophical, political, or religious affiliation or belief, gender, sexual orientation, marital status, or physical disability, or contrary to the provisions of any relevant legislation.
- (b) There shall be no unfair discrimination practiced with respect to any Member in regard to any terms or conditions of employment by reason of family relationships.

11.02.6 Participation and Accompaniment

- (a) Except as provided in [Articles 11.02](#) and [11.04](#), Members shall have the right to express opinions and to participate by means of their representatives in procedures provided by this Collective Agreement, and in the selection of academic administrators.
- (b) The Association has the right to be represented and to represent Members at meetings that deal with disciplinary action. With advance notice by either Party, legal counsel may attend the meeting.
- (c) Members have the right to be accompanied by another individual of the Member's choosing in all procedures specified in this Collective Agreement, provided that:
 - (i) the individual is a Member or staff member of the Association;

- (ii) the individual is not the President of the Association;
 - (iii) the individual is not precluded by [Article 11.04](#) from such an accompaniment role. In the case of a dispute, resolution shall be as provided for in [Article 11.04.6](#); and
 - (iv) if the Board indicates that legal counsel will be attending the procedure, the Member may be accompanied by a representative delegated by the Association.
- (d) The Member exerting his/her right under [Article 11.02.6\(c\)](#) has no obligation to justify the accompaniment but shall identify the accompanying individual in advance.
 - (e) A Member may waive his/her right under [Article 11.02.6\(c\)](#).

11.02.7 Representation to the Board

- (a) A Member shall have the right to make written representation to the Board through the President.

11.02.8 Ownership of Documents and Communication

- (a) This collective agreement recognizes two (2) types of documents, including electronic records and correspondence:
 - (i) documents and records, including electronic records (excluding any personal notes or annotations) held by Members acting in administrative roles, such as Chairs, Coordinators, or Assistant Deans, which are related to those administrative duties and reflect administrative communications between Chairs, Coordinators, Assistant Deans and other academic and non-academic members of staff. Such documents belong to the Board; and
 - (ii) those communications which reflect confidential academic conversations

among academic colleagues. Such documents belong to the Member.

- (b) It is agreed that the ownership of categories of documents which are neither [\(a\)\(i\)](#) nor [\(a\)\(ii\)](#) in [Article 11.02.8](#) shall be resolved using the procedures of [Article 22.04](#) of this Collective Agreement, subject to the applicability of relevant legislation.

11.02.9 Other Rights

- (a) Members have the right to:
 - (i) maintain order and safety in the classroom, lab or other teaching or research situation and to limit the access of persons who are abusive, disruptive or who otherwise violate the rights of Members, students, or other people authorized to be present;
 - (ii) assistance of security personnel regarding the maintenance of such order, safety and limitations of access; and
 - (iii) rule on the use by students of recording devices in the classroom, laboratory, or analogous learning situation, subject to reasonable accommodation of student needs and recognizing that both the Board and the Members have an obligation to accommodate students with disabilities.

11.03 Responsibilities of Members

Members shall act fairly towards students, staff, other Members, Board members and administrators. There shall be equitable treatment, no unfair or irrelevant discrimination, objective assessment of performance, due respect for opposing ideas, due acknowledgement of intellectual indebtedness, due respect for privacy and confidentiality, and compliance with this Collective Agreement. Members shall execute their duties in a manner consistent with reasonable, professional expectations, and within the constraints imposed by all legal requirements including this Collective Agreement.

11.03.1 Responsibilities of Members as Teachers and Supervisors of Students

Members shall have the following responsibilities as teachers and supervisors of students:

- (a) Members shall maintain a scholarly competence and pedagogic effectiveness;
- (b) Members shall discharge their instructional responsibilities in accordance with procedures established pursuant to the provisions of the Post-Secondary Learning Act;
- (c) Members who provide instruction shall comply with procedures established pursuant to the provisions of the Post-Secondary Learning Act for reporting the grades of their students. Where such grades are reviewed by Department, Faculty or University committees, Members should be available for the duration of the committee's work if so required by the committee. If this Article requires the availability of a former Member after the end of his/her contract, the former Member shall be compensated on a pro-rated basis, based on the rate associated with his/her contract;
- (d) Members shall not cancel or terminate scheduled instruction assigned under [Article 13](#) except for good reason, shall give their students notice of such cancellation together with notice of any alternative instruction or rescheduling of the cancelled instruction and shall inform his/her Dean or designate, with reasons for the cancellation;
- (e) Members shall be reasonably available for out of class discussions with students. Students shall have equal opportunity for such discussions;
- (f) Members shall treat students fairly in class and shall reasonably accommodate individual instructional needs;
- (g) Members shall not accept pay for tutoring a student in any subjects in which the Member is responsible for giving classroom instruction to that student but may recommend tutors who may do so provided that no benefit, direct or indirect, accrues to the Member for that referral;
- (h) Members shall not require students in evaluative and/or supervisory relations to the Member to

provide any services to the Member outside a formal, employer/employee relationship in the context of that relationship that are inappropriate to the nature of that relationship. Any employer/employee relationship entered into by a Member shall be reported by the Member to his/her Dean.

- (i) A personal, intimate relationship is one where there exists reasonable apprehension of bias between a Member and a student, and which may be perceived as conferring upon one of them an unfair advantage or subject one of them to an unfair disadvantage. Such relationships may therefore be perceived as a conflict of interest with respect to any evaluative and/or supervisory relationship between the Member and the student.
 - (i) A Member who is involved in a personal, intimate relationship with a student shall not have a supervisory and/or evaluative relationship with that student.
 - (ii) A Member shall not become involved in a personal, intimate relationship with a student with whom the Member has a supervisory and/or evaluative relationship.

11.03.2 Responsibilities of Members as Scholars/Creators

When a Member engages in scholarly/creative activity, he/she has the following responsibilities as a scholar/creator:

- (a) All scholarly/creative activity conducted by Members within the University shall have as its primary objectives:
 - (i) creating and disseminating works of aesthetic or intellectual value;
 - (ii) increasing and disseminating knowledge and understanding; or
 - (iii) improving their scholarly competence as teachers, including the keeping abreast of recent developments in their disciplines.
- (b) Members engaged in research, scholarly or creative work are expected to show scholarly/creative integrity therein, and to endeavour to disseminate the results of their

scholarship/creativity or exhibit the results of their creative work. Gross misconduct in scholarly/creative activity means:

- (i) fabrication, falsification, or plagiarism, but not factors intrinsic to the process of scholarly/creative activity, such as honest error, conflicting data or differences in interpretation or assessment of data, or of experimental design;
 - (ii) significant failure to comply with relevant federal or provincial statutes or regulations; or national or international standards for the protection of investigators, human subjects, or the health and safety of the public, or for the welfare of animals; or significant failure to meet other legal requirements that relate to the conduct of scholarly/creative activity;
 - (iii) failure to reveal any relevant and substantial conflict of interest to the agencies funding the Member's University scholarly/creative activity, to those who commission such scholarly/creative activity, to an editor or to an agency requesting the Member to undertake reviews of grant applications or manuscripts for publication, or to an agency requesting the Member to test products for sale or distribution to the public; or
 - (iv) failure to reveal to the Board any material financial interest in a company that contracts with the University to supply goods or services directly pertaining to the Member's University scholarly/creative activity. Material financial interest includes ownership, substantial stock holding, a directorship, substantial honoraria or consulting fees, but does not include routine stock holding in a large publicly traded company.
- (c) Members shall indicate their affiliation with the University and their reliance on the work and

assistance of others, if any, in their scholarly/creative works.

11.03.3 Responsibilities of Members (excluding Sessional Lecturers) in Administrative and Committee Work

Members (excluding Sessional Lecturers) shall have the responsibilities in administrative and committee work to be active members of their academic units and Faculty Councils, and are expected, when called upon, to participate to a reasonable extent in other bodies dealing with University governance.

11.04 Conflict of Interest and/or Commitment

- 11.04.1 Members are expected to avoid actual or potential conflicts of interest and/or commitment as defined in [Article 11.04](#).
- 11.04.2 No Member shall knowingly participate in any decision-making process that directly and preferentially benefits the Member or any individual with whom the Member has an immediate family, financial, personal or business relationship.
- 11.04.3 An actual or potential conflict of interest arises when a Member is placed in a situation in which his or her personal or financial interests or the interests of his/her immediate family, or persons with whom the Member has a personal or business relationship, conflict or appear to conflict with his/her responsibilities to the University as provided in this Collective Agreement.
- 11.04.4 An actual or potential conflict of commitment arises when the external activities or commitments of a Member are so substantial or so demanding of the Member's time and attention that they interfere with his/her or her responsibilities to the University as provided in this Collective Agreement.
- 11.04.5 The existence of a current or anticipated conflict of interest and/or current or anticipated commitment does not necessarily preclude the Member's involvement in the situation where the conflict has arisen, or may arise. There may be situations where a conflict of interest and/or conflict of commitment once declared can be managed so as to enhance rather than undermine the Member's contributions to the University.

11.04.6 Process for Resolving Conflicts of Interest

- (a) If there is reasonable cause to believe that a current or anticipated conflict of interest and/or current or anticipated conflict of commitment may exist, the Member must formally disclose it in writing to the Member's Dean as soon as possible after the Member becomes aware of it.
- (b) Following consultation with the Member and other appropriate persons, the Dean will notify the Member whether a current or anticipated conflict of interest and/or conflict of commitment exists and if so, decide how it is to be resolved or managed. The Dean shall state in writing the appropriate manner in which to deal with the current or anticipated conflict of interest and/or conflict of commitment.
- (c) Consultation and notification shall be conducted in an expeditious manner and approval for proposals to resolve or manage conflicts of interest and/or conflicts of commitment shall not unreasonably be withheld.
- (d) The decision of the Dean shall be subject to appeal to the Vice- President (Academic).

11.05 Complaints about Members

- 11.05.1 Complaints about a Member alleging a violation of [Article 11.02](#) shall be addressed to the Member, unless the complainant has good reason to fear personal harm or offense. If so, or if the complainant is dissatisfied with the response, the complaint shall be addressed to the Member's Dean, with copies to the Association.
- 11.05.2 If the Dean cannot hear, receive or act on the complaint(s) in a reasonable time, or should not hear or receive the complaint(s) for reasons of a reasonable apprehension of bias, the complaint(s) shall be referred to that person among the remaining Deans with the most decanal service at the University, and this person shall have the authority to act as the appropriate Dean in this matter. If necessary, the Office of the Vice-President (Academic) shall direct the complaint to the appropriate Dean.

- 11.05.3 Complaints about a Member that are found to have merit may be entered into the Member's Personal File by the Dean, following the procedures in [Article 9.11](#) (Materials other than confidential letters of reference), and may be subject to other actions under the provisions of [Article 24](#).
- 11.05.4 In the event that action against the Member is taken under [Article 24](#), the complainant may be informed under condition of confidentiality with respect to the disposition of his/her complaint.

Article 12: Criteria for Extension of Probation, Tenure, Promotion and Salary Increments for Faculty Members

12.01 The criteria for extension of probation, tenure, promotion and salary increments for Faculty Members are:

12.01.1 Teaching Effectiveness

- (a) Effectiveness as a teacher implies a concentrated and successful effort to create the best possible learning situation for students. It involves continuing attention to course work, course design and related activities; and to the supervision of students in alternative modes of learning. It may involve participation in seminars and colloquia, the design of innovative methods of teaching, or other contributions to the teaching activities of the University and beyond. Effectiveness in teaching may be assessed by a variety of means including but not limited to: self-reflection; appraisals by fellow Members or pedagogical experts; examples of lectures, class materials, exams and assignments; presentations, articles and practice guides; prizes or awards; evidence of pedagogical leadership, impact, mentorship of others; receiving mentorship or training. When student appraisals are used:
- (i) an appropriate, user-friendly, intelligible and easily accessible mode of

presentation of these data shall be used;
and

- (ii) assessors and evaluators shall be educated in inherent and systemic biases in certain kinds of student appraisals of teaching effectiveness, and shall take these biases into account when using such appraisals.

12.01.2 Research and Creative Activity

- (a) Efforts shall be made to evaluate the quality and originality of both published and unpublished scholarly work; “publication” in this context shall be interpreted to include exhibitions and performances, as appropriate.
- (b) Research/creative work shall be evaluated which
 - (i) concerns topics, ideas, theories, or methods used in the teaching program of the Member's Department, or, where there is no department, comparable administrative unit;
 - (ii) directly relates matters arising from [Article 12.01.2\(b\)\(i\)](#) above to topics, ideas, theories, or methods of other areas in interdisciplinary fashion;
 - (iii) concerns topics, ideas, theories, or methods in the teaching programs of other areas; or
 - (iv) beyond [Articles 12.01.2\(b\)\(i\)](#), [12.01.2\(b\)\(ii\)](#), and [12.01.2\(b\)\(iii\)](#), the onus shall lie with the Member to demonstrate that his/her work should be evaluated.
 - (v) factors that may be considered in the evaluation of research and creative activity include, but are not limited to, grant application writing; the publication of books, monographs and contributions to edited books; papers in both refereed and non-refereed journals; the academic planning of, or papers delivered at, professional meetings; consulting work

and other professional activities involving research competence; participation in panels; unpublished research including current work in progress; editorial duties; refereeing; creative works and performances; and scholarship as evidenced by the Member's depth and breadth of knowledge and general contributions to the research life of the University.

12.01.3 Service to the University and to Society

- (a) Recognition shall be given to the contribution of the Faculty Member to the intellectual life and academic climate of the University through seminars, recitals, discussions, readings and debates; to the effectiveness of contributions to the functioning of the University through activities and work on University, Faculty, Library, Department/Area/Program, and Association committees, working groups and task forces; to administrative activities related to the research and teaching functions of the University through duties such as Department/Area Chair or through other administrative assignments.
- (b) General contributions to society shall include public lectures and participation in professional, academic, or governmental activities and organizations, and community service related to the Member's University appointment.

12.02 Within the limitations set by the provisions of this Article, Faculty Councils may develop supplementary policies, subject to the approval of the General Faculties Council, relating to the criteria in [Article 12.01](#). Such policies shall be readily available and the location made known to all affected Members. Such policies are secondary to this Collective Agreement and may neither restrict nor prescribe outside the criteria in [Article 12.01](#).

12.03 The criteria shall be weighted according to the duties assigned pursuant to [Article 13](#); weightings are subject to [Articles 13.02](#), [13.03.2](#), and [Schedule E](#).

12.04 Personal or social compatibility shall not be a criterion for extension of probation, tenure, promotion, or salary increments.

12.05 Guidelines for the Award of Tenure, Promotion, and Salary Increments

12.05.1 Award of Tenure

- (a) To qualify for the award of tenure, a Faculty Member shall have established the effectiveness of his/her teaching and a reasonable expectation of his/her ability to create a lengthy and meritorious record of effective teaching. In addition, depending upon the disciplinary area to which the Faculty Member belongs, he/she shall be expected to show evidence of the development of an independent and productive program of research, scholarship and creative activity leading to a reasonable expectation of his/her ability to demonstrate some combination of maturity of scholarship and professional achievement.

12.05.2 Award of Tenure at a Rank other than Assistant Professor

- (a) The application of the criteria for the award of tenure at a particular rank and salary shall be consistent with the application provided in [Articles 12.05.1](#), [12.05.3](#), [12.05.4](#), and [12.05.5](#).

12.05.3 Promotion to Associate Professor

- (a) To qualify for promotion to the rank of Associate Professor, a Faculty Member shall have established the effectiveness of his/her teaching over a period of years. In addition, depending upon the disciplinary area to which the Faculty Member belongs, he/she shall be expected to show evidence of some combination of maturity of scholarship and professional achievement.

12.05.4 Promotion to Professor

- (a) Promotion to the rank of Professor shall be based upon both a lengthy and meritorious record of effective teaching and significant scholarly or creative contributions to the Faculty Member's field. Letters of reference from external referees shall be required. STP Committees shall scrutinize recommendations for promotion to Professor with extreme care to ensure that the requirements have been met.

12.05.5 Salary Increments

- (a) Apart from adjustments in salary proportionate to salary schedule changes, a Faculty Member can anticipate cumulative annual adjustments of salary through the award of salary increments. The awarding of salary increments reflects a well-established academic tradition whereby:
 - (i) normal career progress increments are awarded when continuing satisfactory professional performance is demonstrated; and
 - (ii) especially meritorious professional achievements are recognized through monetary reward in the form of merit increments.
- (b) Since the criteria which determine the award of salary increments are those which apply to promotion, there will be a degree of correspondence between salary and rank. Thus, on promotion or appointment, a Faculty Member will receive a salary which is not less than the minimum for the rank. However, at other times, the characteristics of a Faculty Member's professional performance may be reflected in the award of increments but not in promotion.

12.06 A decision by a Personnel Committee that a Faculty Member not be promoted shall not, in itself, imply that the Faculty Member's performance has been assessed to be unsatisfactory.

Article 13: Assignment of Duties of Members

For the purposes of [Article 13](#), consult and consultation shall be taken to mean the opportunity to share information, provide input, and suggest alternatives before a final decision is made by the Dean.

13.01 The duties of a Member shall be deemed to have been assigned to the Member by the Dean according to the following guidelines:

13.01.1 All teaching duties, pursuant to [Article 13.02](#), shall be assigned by the Dean, and duties pursuant to [Articles 13.02.2](#) to [13.02.9](#) shall be deemed to have been assigned by the Dean in consultation with the Member, as

appropriate to the nature of the duty, and consistent with Article [13.01](#).

- 13.01.2 Research and creative activities are not normally specifically assigned by the Dean; there are, however, clear expectations for the Member as set out in [Article 12.01](#) and elaborated in [Articles 11.03.1](#), and [14.11.1\(b\)](#).
- 13.01.3 Service duties to the University and community are not normally assigned to the Member by the Dean; it is, however, a clear expectation for the Member as set out in [Articles 12.01](#), [11.04](#), [14.11.1\(c\)](#), and [15.08.1](#). A Member may be involved in service by appointment, designation, delegation, election, professional discretion, or re-assignment.

13.02 Duties shall include one or more of the following:

- 18.03.3 Criteria for hiring shall be limited to qualifications related to the position as approved and advertised. Personal and social compatibility shall not be used as a criterion for appointment. Considerations of life style or of contribution to the University by spouses or other personal relations are irrelevant, unless the contributions would occur in the form of a University position subject to appropriate procedures.
- 18.03.4 Applications for the position shall be considered by the Search Committee which shall recommend to the Dean a candidate or candidates for the position. If the Dean approves a recommended candidate, he/she shall send the candidate a written offer of appointment, provisional upon ratification by the Board, specifying the rank, number of years assigned toward the Academic Career ([Article 2.02](#)), salary and other conditions, including Canadian immigration requirements where applicable, and access to a copy of this Collective Agreement.
- If the Dean rejects the recommendation of the Search Committee, his/her reasons shall be given to the President and to the Committee chair, and he/she shall request the Search Committee to recommend another candidate or candidates.
- 18.03.5 In the event that a provisional offer of appointment is accepted, the Dean shall recommend the appointment of that candidate to the President, who shall report the Dean's recommendation to the Board.
- 18.03.6 If the Board ratifies a recommendation for appointment by the President, the President shall send an official letter of appointment to the candidate specifying the terms and conditions of the appointment.
- 18.03.7 The letter of appointment, countersigned by the appointee, and the Collective Agreement together constitute an

agreement of appointment between the appointee and the Board. Amendments to the Collective Agreement shall become part of such agreement of appointment.

18.04 Relocation Allowance: Refer to [Schedule B.09](#).

Article 19: Probation and Tenure for Faculty Members

However, a Dean may recommend to the President that the period allowed for the Member to meet the specified obligation be extended; in that event, the Member may request that the timetable for extension of probation and tenure be correspondingly extended; no such request shall be unreasonably denied. The Dean may also recommend that the timetable for probation and tenure be correspondingly extended.

19.04.3 Tenure shall become effective the date it is awarded by action of the Board.

19.04.4 Timelines

(b) By mutual agreement between the Faculty Member and the Dean:

(i) A Member who is appointed as Associate Professor or Professor may be considered earlier, but not before the period from January 1 to March 31 of the second (2) year of the initial probationary appointment of [Article 19.01.2](#), or

(ii) A Member who is promoted to Associate Professor before the end of his/her fifth (5) probationary year, may be considered for tenure immediately after being promoted

- (iii) In both [19.04.4\(b\)\(i\)](#) and [19.04.4\(b\)\(ii\)](#), the STP Committee may recommend that tenure be awarded, or that the probation be extended but not beyond the maximum probationary period provided in [Article 19.01.3](#) (except as provided in [Article 19.03](#)), or that probation be terminated.

(c) At the request of the Faculty Member:

- (i) A Member appointed with one or more previous full years of service on full time employment at this University or another university, or both, to which all of the criteria in [Article 12](#) applied shall have such service considered as comprising part of the maximum probationary period, provided that the Member possessed full academic credentials for the years of service to be considered, and provided that the appropriate documentation is provided for the entire period; except that in no case shall a tenure hearing be held earlier than the period January 1 – March 31 of the second (2) year of the initial probationary appointment of [Article 19.01.2](#).
- (ii) The STP Committee may recommend that tenure be awarded; or that the probation be extended but not beyond the maximum probationary period provided in [Article 19.01.3](#) (except as provided in [Article 19.03](#)); or that probation be terminated.

19.05 Procedure for Extension of Probation and Award of Tenure

19.05.1 The procedure for the hearing of the STP Committee regarding extension of probation or the award of tenure shall be that for a hearing regarding promotion as provided in [Article 20.03](#). Where the Committee has not completed its deliberations by June 30 of the final year of the Member's probationary appointment and the Committee makes a recommendation that probation be terminated, then a terminal appointment as provided in [Article 19.06.2](#) shall be deemed to have begun July 1 immediately following the end of the probationary appointment.

19.05.2 The motion to be considered by the STP Committee shall be:

- (a) *That the quality and quantity of the candidate's academic work relative to the criteria of [Article 12.01](#) merit the award of extension of probation. if the hearing is pursuant to [Article 19.02](#); or*
- (b) *That the quality and quantity of the candidate's academic work relative to the criteria of [Article 12.01](#) merit the award of tenure. if the hearing is pursuant to [Article 19.04](#).*

Failure of the motion [Article 19.05.2\(a\)](#) to carry by the appropriate majority, as specified in [Articles 14.04.1\(c\)](#) or [17.04.2\(c\)](#) constitutes a recommendation that probation be terminated, if the hearing is held pursuant to [Articles 14.06](#) or [19.02](#).

Failure of the motion [Articles 19.05.2\(b\)](#) to carry by the appropriate majority, as specified in [Articles 14.04.1\(c\)](#) or [17.04.2\(c\)](#), constitutes a recommendation that probation be terminated if the hearing is held pursuant to [Articles 14.07](#) or [19.04](#), except where the hearing is held pursuant to [Article 19.04.4\(b\)](#), in which case failure of the motion requires that the STP Committee then consider the motion [Article 19.05.2\(a\)](#). Subsequent failure of the motion [Article 19.05.2\(a\)](#) to carry by the appropriate majority, as specified in [Articles 14.04.1\(c\)](#) or [17.04.2\(c\)](#) a recommendation that probation be terminated.

A Faculty Member shall be promoted if recommended by an STP Committee, recommended by the President, and ratified by the Board.

20.02 Consideration for Promotion

20.02.1 A Faculty Member may be considered for promotion in any year deemed appropriate in the judgment of the chair of the STP Committee and with the consent of the Member. Normally, promotion to the next higher rank should occur after five (5) to ten (10) years in a rank.

20.02.2 A Faculty Member shall have the right to be considered for promotion in the sixth (6) or subsequent year in which the Member has been in a rank, excepting only that the Member may not apply again to be promoted in the year following an unsuccessful consideration.

20.03 Promotion Hearings

20.03.1 Consideration of promotion of a Faculty Member shall be carried out by the STP Committee, which shall recommend either that the Faculty Member be promoted, or that the Faculty Member not be promoted. Meetings of the STP Committee shall normally take place between January 1 and March 31 of each Academic Year.

20.03.2 Process

- (a) The STP Committee Chair shall prepare a recommendation for or against promotion and present it to the Committee.
 - (i) No later than July 15 of the Academic Year in which promotion (extension of probation or tenure) is to be considered,

the Dean shall write to all Members who have agreed with the STP Committee Chair under [Article 20.02.1](#) to be considered for promotion, and also to all Members eligible under [Article 20.02.2](#) to invoke the right to be considered for promotion. The letter shall invite the Member to supply to the STP Committee Chair, by the following September 15, a rationale and whatever material and information the Member deems necessary to justify his/her promotion (extension of probation, or tenure) and request the Member to make recommendations regarding additional evidence for the Chair to gather. In all cases where referees are selected, such selection shall be fair and reasonable. The Chair shall keep the Member informed of progress on the collection of such additional information.

- (ii) The evidence and documentation submitted for the consideration of the STP Committee shall consist of four (4) elements, each of which shall be clearly identified:

first: evidence and documentation submitted by the candidate

second: additional evidence and/or documentation collected by the STP Chair after consultation with the candidate as described in [Article 20.03.2\(a\)\(i\)](#)

third: such additional evidence and/or documentation collected by the STP Chair as he/she deems relevant to the proceedings

fourth: material from the personal file of the candidate directly relevant to teaching, research and creative activity, and service to the University and society duties and responsibilities, submitted by the Dean to the STP Chair in accordance with [Article 9.07](#) and accepted by the STP Chair as appropriate. Disagreements between the Dean and the Chair regarding the appropriateness of specific material shall be dealt with through the interpretation process in [Article 22](#).

After consultation with the Dean, the STP Committee Chair shall indicate to the Member within fifteen (15) Working Days of receipt of the material in [Article 20.03.2\(a\)\(i\)](#) (above) whether, based on this material, a positive or a negative recommendation would be presented to the STP Committee. In particular, the Chair shall inform the Member

of any negative evidence which the Member may wish to address. If, in the Chair's view, there is insufficient evidence to justify a positive recommendation, the Chair shall, at this time, advise the Member what additional evidence would overcome the perceived incompleteness or insufficiency, and shall attempt to assist the Member in acquiring such additional evidence;

- (iii) Any additional evidence gathered by the STP Committee Chair or supplied by the Dean or the Member under [Articles 20.03.2\(a\)\(i\)](#) and [20.03.2\(a\)\(ii\)](#) above for consideration of the STP Committee shall be provided by January 10.
 - (iv) Not fewer than ten (10) Working Days prior to the first day of the hearing, the STP Committee Chair shall inform the Member in writing of the Chair's recommendation and all the reasons for it that will be placed before the STP Committee. In particular, the Chair shall inform the Member of any negative evidence which the Member may wish to address.
 - (v) The STP Committee Chair's letter shall also inform the Member that the Member has the right to submit, within five (5) Working Days, a written response to the Chair's recommendation.
 - (vi) The STP Committee Chair's letter shall inform the Member of the right to appear before the STP Committee giving as much notice as possible but not fewer than five (5) Working Days notice.
- (b) The STP Committee Chair shall convene the STP Committee and shall place before it:
- (i) The evidence and documentation the Chair has accumulated in accordance with [Article 20.03.2\(a\)\(ii\)](#), including all materials submitted by the Member. Normally, new documentation shall not be presented at this meeting; the Member will be provided with a fair summary of any new documentation admitted and will have five (5) Working Days to respond to it prior to the Committee considering the new documentation.
 - (ii) The Chair's recommendation.

- (iii) The Member's written response, if any, under [Article 20.03.2\(a\)\(v\)](#).
- (c) The first motion to be considered shall be: *That the evidence presented to the Committee is a sufficient basis for a fair and reasonable decision.* The question is automatically before the STP Committee and requires neither mover nor seconder. Voting shall be in accordance with [Article 17.04.2\(c\)](#).

If, after consideration, the motion is not carried, the STP Committee shall request its Chair to accumulate additional evidence that would overcome the perceived incompleteness or insufficiency. The Member shall be informed of the additional evidence gathered by the STP Committee Chair, and especially of any negative evidence, and shall have the right to respond within five (5) Working Days either in writing or orally. In addition, should the STP Committee Chair change his/her original recommendation as a result of the new evidence, the Member shall be so informed and shall have the right to respond within five (5) Working Days either orally or in writing.

- (d) After the motion of [Article 20.03.2\(c\)](#) above has passed, or when the STP Committee votes that reasonable efforts to find significant additional evidence have failed, the Committee shall consider the motion: *That the quality and quantity of the candidate's academic work relative to the criteria of [Article 12.01](#) merit the award of promotion.* The question is automatically before the STP Committee and requires neither mover nor seconder. Voting shall be in accordance with [Article 17.04.2\(c\)](#).
- (e) Within five (5) Working Days of the end of the meeting or meetings dealing with a Member's case, the STP Committee Chair shall convey to the Dean in writing the recommendation of the Committee and a summary of its reasons. This letter shall be included in the Member's Personal File.
- (f) A draft of the letter from the Dean to the Member, informing the Member of the Committee's recommendation and the reasons therefor, as specified in [Article 17.07.1](#) shall be circulated to members of the STP Committee, and amended by the Dean as appropriate, prior to its transmittal. On request to the Dean, the Chair of STP Committee

shall have the right to read the letter to the Member.

- (g) All materials used in the Hearing shall be deemed to be part of the Member's Personal File, subject to the provisions of [Article 9](#).
- (h) The Dean shall forward to the Vice President (Academic) the Committee's final letter of [Article 20.03.2\(f\)](#) regarding its recommendation and the reasons therefor, together with the Dean's recommendation.
 - (i) Except where the Dean or the Vice President (Academic) or both have reasonable cause to believe that one or more of the conditions of [Articles 23.02.3\(a\)\(i\)](#), [23.02.3\(a\)\(ii\)](#), and [23.02.3\(a\)\(iii\)](#) exists, the Vice President (Academic) shall forward the recommendation to the President for consideration. Where the Dean or the Vice President (Academic) or both have reasonable cause to believe that one or more of the conditions of [Articles 23.02.3\(a\)\(i\)](#), [23.02.3\(a\)\(ii\)](#), and [23.02.3\(a\)\(iii\)](#) exists, the Vice President (Academic) shall forward the case to the Appeal Committee of [Article 17.04.3](#) for its consideration, using the process in [Article 23.02.3](#) for cases involving extension of probation and tenure recommendations, or using the process in [Article 23.02.3](#), for cases involving promotion recommendations.

20.04 Effective Date of Promotion

A promotion shall normally become effective on but not later than July 1 of a given year providing that:

- 20.04.1 the promotion is recommended by the STP Committee on or before the preceding March 31, or considered by the STP Committee before March 31 and subsequently recommended by the Appeal Committee; and,
- 20.04.2 the promotion is recommended by the President and ratified by the Board.

Article 21: Increments for Faculty Members/Professional Librarians

21.01 A Faculty Member/Professional Librarian shall be awarded a salary increment that is:

21.01.1 recommended in accordance with the provisions of this Article, and

21.03.2 On Terminal Appointment

A Faculty Member/Professional Librarian awarded a terminal appointment as provided in [19.06](#) shall not be awarded a salary increment for that year of terminal appointment.

21.04 Principles and Procedures for Awarding Salary Increments

- 21.04.1 Before April 30 of each year, the professional performance of a Faculty Member/Professional Librarian shall be evaluated and the Faculty Member/Professional Librarian shall be informed of the result of that evaluation. Before September 15 each year, a Faculty Member/Professional Librarian shall submit to the Dean a report of Professional Activities (as per [Schedule E](#)) during the previous Contract Year (July 1 to June 30), any supporting documentation not already in the Faculty Member's/Professional Librarian's file, and a recommendation for weighting the criteria.
- 21.04.2 Normally, the period for assessment shall be the Contract Year immediately preceding the evaluation of performance. The basis for assessment shall normally be the Professional Activities Report, and the contents of a Faculty Member's/Professional Librarian's Personal File regarding the period in question. However, if the Faculty Member/Professional Librarian and the Dean agree, other relevant periods or materials shall be considered. All materials considered shall be part of a Faculty Member's/Professional Librarian's Personal File.
- 21.04.3 The three criteria outlined in [Article 12.01](#) in the case of Faculty Members, or in [Articles 14.11.1\(a\)](#) through [14.11.1\(c\)](#) in the case of Professional Librarians, and further elaborated in [Article 11.03](#) shall be weighted by the Dean in consultation with the Faculty Member/Professional Librarian, in accordance with [Articles 12.03](#), [13.01](#), [11](#), [14.11.3](#) and [Schedule E](#), to reflect the Faculty Member's/Professional Librarian's duties and the relative emphasis of each of the three (3) criteria in the assessment of performance for the period under consideration. The weighting of each Faculty Member's/Professional Librarian's duties shall total 100%.
- 21.04.4 A Faculty Member/Professional Librarian shall be assigned a performance rating on each of the three criteria according to the following descending scale of merit: 2.0, 1.75, 1.5, 1.25, 1.0, 0.5 and 0 where 1.0 reflects satisfactory performance and normal career progress.
- 21.04.5 The performance rating for each criterion multiplied by the weighting of each criterion shall determine a Faculty Member/Professional Librarian's performance score for each

criterion. The overall performance score shall be the sum of the three (3) performance scores.

- 21.04.6 Where a Faculty Member's/Professional Librarian's Teaching or Research are assessed as unsatisfactory, or where reasonable doubt exists about a Faculty Member's/Professional Librarian's satisfactory performance in areas defined in [Articles 12.01.1](#) and [12.01.2](#) for Faculty Members and [Articles 14.11.1\(a\)](#) and [14.11.1\(b\)](#) for Professional Librarians, the Faculty Member/Professional Librarian and the Dean, in consultation with the Department Chair, where Departments exist, shall cooperate, during the subsequent evaluation period, in the collection of data concerning the Faculty Member's/Professional Librarian's Teaching effectiveness or Research and Creative Activity.
- 21.04.7 A performance rating for each criterion, an overall performance score, and a salary increment shall be proposed by the Dean, in consultation with the Department Chair, if any. These and a brief statement of the reasons for them shall be communicated to the Faculty Member/Professional Librarian in writing together with an estimate of the distribution of increments in each Faculty.
- 21.04.8 Where the Faculty Member/Professional Librarian disagrees with the Dean's recommendation regarding performance ratings, he/she shall notify the Dean in writing within five (5) Working Days of receipt of the letter sent pursuant to [Article 21.04.7](#) stating his/her reasons therefor. The Faculty Member/Professional Librarian shall meet with the Dean and present whatever material, evidence, and information he/she deems necessary to justify his/her preferred performance ratings (relative to the weighting of the Dean). If the Faculty Member/Professional Librarian and the Dean still disagree then the STP Committee shall establish the performance rating for each criterion, and send the results, with reasons, to the Dean. All such STP Committee salary increment deliberations shall be completed by June 15 of the same calendar year.

The Committee's procedures shall be as follows:

- (a) The Committee Chair shall recommend to the STP Committee performance ratings (relative to weightings) and the resultant performance score. Before such a recommendation the Chair shall:
 - (i) invite the Faculty Member/Professional Librarian to supply a rationale and

whatever material, evidence, and information he/she presented to the Dean to justify his/her preferred performance ratings (relative to the weightings of the Dean);

- (ii) request from the Dean the Professional Activities Report, any supporting documentation provided by the Faculty Member/Professional Librarian, and the Department Chair's assessment (where applicable) which were the basis for the Dean's performance rating;
 - (iii) invite the Dean to justify his/her performance rating, a copy of which justification shall be provided to the Faculty Member/Professional Librarian;
 - (iv) inform the Faculty Member/Professional Librarian of the right to appear before the STP Committee, giving as much notice as possible but not fewer than five (5) Working Days' notice. Normally new documentation shall not be presented at this meeting.
- (b) The Chair shall convene the STP Committee and shall place before it:
- (i) The items specified in [Articles 21.04.8\(a\)\(i\)](#), [21.04.8\(a\)\(ii\)](#), and [21.04.8\(a\)\(iii\)](#);
 - (ii) The motion, which shall be *The Dean's recommendation regarding performance rating be accepted*.
 - (iii) If that motion fails, another motion shall be made regarding the appropriate performance rating to be recommended to the President.
- (c) After examining the evidence before the committee, the STP Committee may request the Chair to attempt to gather additional evidence within reasonable limits. The Faculty Member/Professional Librarian will be provided with a fair summary of any new documentation admitted and will have five (5) Working Days to

respond to it prior to the Committee considering the new documentation.

- (d) A letter from the Chair of the STP Committee shall be transmitted to the Dean, with a copy to the Faculty Member/Professional Librarian, informing the Dean and the Faculty Member/Professional Librarian of the Committee's recommendation and the reasons therefor.
- (e) All materials used in the Hearing shall be deemed to be part of the Faculty Member/Professional Librarian's Personal File, subject to the provisions of [Article 9](#).

21.04.9 The Dean shall convey in writing to the President the salary increment awards and the reasons therefor. The Dean may submit to the President his/her own written recommendation differing from that of the STP Committee, if the STP Committee has established the performance ratings.

21.04.10 The President may request in writing, giving his/her reasons therefor, that the originator of performance ratings reconsider the recommendation. The Dean or the STP Committee, whichever is appropriate, shall either confirm its original recommendation or else make some other recommendation originally available to it, and the Dean shall convey the recommendation to the President. The President shall ratify one of the submitted recommendations.

21.05 If a Faculty Member/Professional Librarian is assigned an increment award of 0 or 0.5, the Dean shall arrange a meeting pursuant to [Article 24.06.1](#).

21.06 Value of Salary Increment

The value of a Faculty Member/Professional Librarian's salary increment is equal to the career progress increment and the merit award, if any.

To establish a Faculty Member/Professional Librarian's career progress increment:

21.06.1 Every Faculty Member/Professional Librarian with a performance score equal to or above one (1.0) will receive a full career progress increment. Those whose performance scores are less than one (1.0) and greater than or equal to one half (0.5) will receive one half (0.5) of a career progress increment. Those whose performance scores are less than

one half (0.5) will receive zero (0) increment. In any event, unless reassigned pursuant to [Article 13](#), less than satisfactory performance in Teaching or Research and Creative Activity will lead to a full career progress increment only under exceptional circumstances; otherwise, the Faculty Member/Professional Librarian will receive either one half (0.5) of the career progress increment or zero (0), according to the recommendation of the Dean or the STP Committee.

- 21.06.2 The value of a career progress increment for Faculty Members/Professional Librarians whose Academic Career Years as of June 30th do not exceed the duration per rank of an Academic Career, as specified in [Article 2.02](#) and as applied in [Schedule F](#), is specified in [Schedule A](#).
- 21.06.3 If a Faculty Member/Professional Librarian receives recognition for a transfer of seniority, as per [Article 25.04.1](#), including professional experience at the University or elsewhere, the number of years transferred under [Article 25.04.1](#) shall count towards the period of an Academic Career as defined by [Article 2.02](#).
- 21.06.4 Once a Faculty Member/Professional Librarian has accumulated Academic Career Years exceeding the duration of an Academic Career as defined in [Article 2.02](#) and as implemented through [Schedule F](#), the career progress increment award shall have no monetary value.
- 21.06.5 To establish a Faculty Member/Professional Librarian's merit award:
- (a) A mean of the overall performance scores will be calculated.
 - (b) A Faculty Member/Professional Librarian whose performance score equals or exceeds the mean for his or her Faculty or the Library shall automatically receive increments from the Merit Pool.
 - (c) A Faculty Member/Professional Librarian whose performance score (rounded to the nearest tenth) equals the mean performance score (rounded to the nearest tenth) of his/her Faculty or Library shall be entitled to one merit unit. A Faculty Member/Professional Librarian shall receive an additional merit unit for each tenth by which his/her performance score (rounded to the nearest tenth) exceeds the mean performance score

(rounded to the nearest tenth) of his/her Faculty or the Library. The total number of merit units for a Faculty or the Library will be the sum of these merit units.

- (d) The value of a merit unit will be calculated by dividing the value of the merit pool, as established in [Article 31.05.1](#), for a Faculty or the Library by the total number of merit units in that group.

21.07 Procedures for Biennial Evaluation

21.07.1 A Member is subject to annual evaluations unless he/she meets the provisions of [Article 21.07.2](#). Members subject to annual evaluation will follow the procedures provided in [Article 15.05](#) for Instructors and Academic Assistants, or in [Article 21.04](#), for Faculty Members/Professional Librarians each year.

21.07.4 A Member who becomes eligible for biennial evaluation shall continue to be evaluated on an annual basis until the group to which he/she is assigned is due for biennial evaluation.

21.07.5 Annual Reporting

during the preceding contract year. Supporting documentation is not required.

Where there are departments/divisions in a Faculty or the Library, all eligible Faculty Members/Professional Librarians of the same department/division shall be evaluated in the same year.

- 21.08** Faculty Members/Professional Librarians shall receive the distribution of career progress and merit increments awarded that year by Faculty/Library no later than September 30 of each year.

22.02 Grievance

- 22.02.1 A grievance is a claim that there has been a violation, improper application or non-application of the terms of this Collective Agreement. A grievance shall be settled in accordance with the terms of this Collective Agreement. The time schedule of this grievance procedure or any part thereof may be abridged or extended by mutual consent. Procedures under [Article 22](#) shall be subject to procedural fairness as defined in [Article 2.26](#).
- 22.02.2 Issues of process and procedural fairness are subject to grievance.
- 22.02.3 Subject to [Article 22.02.2](#) the following matters shall not be subject to grievance:

- 22.02.4 At any point in the grievance process the Parties may agree to settle the matter between them with or without the use of mediation.

22.03 Grievance Process

22.03.1 A grievance shall be initiated within sixty (60) Working Days following the date upon which the violation, improper application or non-application of this Collective Agreement is alleged to have occurred, or on which the alleged violation should have become known to the Member, Association, or President.

22.03.2 A grievance may be initiated by the Association or by the Board.

22.03.3 A Member alleging a grievance shall present their allegations to the Association, which holds carriage rights over alleged grievances of Members. The Association shall decide whether or not to pursue the alleged grievance.

22.03.4 Step 1: Informal meeting

- (a) In the first step of the grievance process, the Parties shall meet informally in an attempt to resolve the issue.
- (b) The request for the meeting will be made by the Party filing the grievance and the meeting must take place within fifteen (15) Working Days of this request.
- (c) If the issue is not resolved at this stage, the grievance moves to Step 2.

22.03.5 Step 2: Formal Notice

- (a) The second step of the grievance process is the formal notification.
- (b) In the event a grievance is claimed, the grievance shall be presented in writing to the President of the Association (in the case of a grievance by the Board) or the President of the University (in the case of a grievance by the Association) specifying the Article(s) or Section(s) in the Collective Agreement or relevant legislation to which the grievance applies, providing such particulars as appropriate and proposing remedy.
- (c) Upon receipt of the formal notice, the President of the University (in the case of grievances by the Association) or the President of the Association (in

the case of grievances by the Board) shall investigate the grievance.

- (d) A written report of the investigation shall be presented to the other party within ten (10) Working Days together with a recommendation or recommendations to resolve the dispute.
- (e) This report and proposed resolution shall be deemed accepted by the other Party unless the other Party indicates in writing to the contrary within ten (10) Working Days.
- (f) If the other party does not accept the report and proposed resolution, the parties shall arrange to meet within ten (10) Working Days to attempt to resolve the grievance.
- (g) If this meeting is not held within ten (10) Working Days or the parties are unable to resolve the grievance within five (5) Working Days of this meeting, either party has the option of proceeding to Step 3: Arbitration.

22.03.6 Step 3: Arbitration

- (a) If the President of the University (in the case of grievances by the Association) or the President of the Association (in the case of grievances by the Board) is unsatisfied with the results of the meeting in [Article 22.03.5\(f\)](#) or (in the case of the Interpretation Committee) the meeting in [Article 22.05.1](#), he/she has the option of referring the matter to arbitration.
- (b) Written notification that the matter is to be referred to arbitration must be provided to the other party within thirty (30) Working Days of the relevant meeting identified in [Article 22.03.6\(a\)](#).
- (c) When arbitration is required, grievances shall be referred to a single arbitrator.

- (e) Failing agreement, the arbitrator shall be appointed following provisions of the Alberta Labour Relations Code.
- (f) For the purposes of [Article 22](#), the arbitrator shall conduct the arbitration in accordance with the provisions of the Alberta Labour Relations Code. The arbitrator may assign the costs of the arbitration.
- (g) The arbitrator shall hear the grievance and issue a decision which shall be final and binding upon the parties to the arbitration.

22.04 Interpretation

- 22.04.1 Interpretation is a process by which the Board and the Association strike a committee of their respective Presidents to resolve ambiguities or uncertainties about the meaning or application of this Collective Agreement that are not the subject of a grievance.
- 22.04.2 The Interpretation Committee is not to be used to resolve active grievances as defined in [Article 22.02](#). The Committee is used to proactively clear up ambiguities or uncertainties before a grievance arises.

22.05 Interpretation Process

- 22.05.1 The Interpretation Committee shall meet within ten (10) Working Days of the written request of either of its members. This request shall provide a sufficient outline of the issue(s) or Article(s) requiring interpretation.
- 22.05.2 The Interpretation Committee shall issue a written report of its deliberations within five (5) Working Days of its meeting. This report may consist of an agreed upon statement by both members or individual reports by each member.
- 22.05.3 Where the Interpretation Committee members agree upon an interpretation, this interpretation shall become a Schedule of this Collective Agreement.
- 22.05.4 Where the Interpretation Committee members cannot agree upon an interpretation within five (5) Working Days of the meeting of [Article 22.05.1](#), either member may request arbitration according to the procedures of Step 3 of the Grievance Process in [Article 22.03.6](#).

Article 23: Appeals of Recommendations by STP Committees and Appeal Committees

23.01 Preamble

- 23.01.1 Appeals dealt with in this Article are logical extensions of the processes for career progression via STP Committee reviews addressed in other Articles of this Collective Agreement. Such STP Committee reviews are based on the principles of peer review, principles of natural justice and any differences between adjudication processes versus appeal processes.
- 23.01.2 Subject to the provisions of [Article 2.26](#) and principles of natural justice, all evidence considered during the Appeal process governed by this Article shall pertain to the review period considered by the original STP Committee or the Appeal process itself.
- 23.01.3 Where an appellant has the right to appear before a committee as part of an Appeal process governed by this Article, the appellant has the right to be accompanied pursuant to the provisions of [Article 11.02.6](#) Participation and Accompaniment.
- 23.01.4 All written communications to an appellant pursuant to the provisions of this Article or written communications pertaining to an appealed recommendation of an STP or Appeal Committee shall be copied to the Association.
- 23.01.5 In every instance where notification of the appellant is required by this Article, that notification shall be in writing, and copied to the Association.
- 23.01.6 All materials pertaining to the Member that are used pursuant to this Article shall be deemed part of the Member's Personal File, subject to the provisions of [Article 9](#).

23.02 Denial of Extension of Probation, Tenure, Continuing Appointment, and Promotion

- 23.02.1 A Member shall have the right to appeal to the [Article 17.04.3](#) Appeal Committee a recommendation of the STP Committee respecting his/her extension of probation, the award of tenure (in case of a Faculty

Member/Professional Librarian), the award of a continuing appointment (in the case of Instructor/Academic Assistant), or promotion.

23.02.2 The Appeal Committee shall hear only those appeals submitted in writing to the Committee Chair. The appellant must give notice in writing of an intention to appeal within ten (10) Working Days after the Member has received notification of a recommendation of the STP Committee. Full reasons for the appeal must be submitted within ten (10) Working Days of the Chair's acknowledgement of this written notice.

23.02.3 Process

(a) The appellant shall write to the Chair of the Appeal Committee giving notice of an intention to appeal the recommendation of the STP Committee. The Chair of the Appeal Committee shall acknowledge receipt of the request for a hearing. Within ten (10) Working Days of receipt of the Chair of the Appeal Committee's letter, the appellant shall submit a written request for a hearing of his/her case, stating the grounds for the appeal, which shall be one or more of the following:

(i) That the decision reached by the STP Committee was not fair and reasonable in the light of the documentation and evidence put before it. In this case, the motion for consideration by the Appeal Committee shall be:

[a] That the decision reached by the STP Committee was not fair and reasonable in light of the documentation and evidence put before it.

(ii) That the documentation and evidence considered by the STP Committee were incomplete and/or inappropriate to such an extent as to prevent a fair and reasonable decision, for reasons that were beyond the control of the appellant. The Appeal Committee shall then consider the motion:

include information sufficient to permit the Appeal Committee to determine whether the procedures of the STP Committee were fair and reasonable, notwithstanding the evidence presented to the STP Committee.

- (iii) In accordance with [Article 2.26](#), the Appeal Committee shall ensure that the appellant has available to him/her all the information that the Appeal Committee is to use in rendering its decision, and that the appellant has had a reasonable opportunity to provide a response to such information.
- (c) The Appeal Committee shall then consider the motion(s) before it under [Article 23.02.3\(a\)](#). Each motion is automatically before the Appeal Committee at the appropriate time, and requires neither a mover nor a seconder. When more than one ground for appeal is claimed, the Appeal Committee shall consider the motions one at a time, in the order specified in [Article 23.02.3\(a\)](#), subject to the following provisions:
 - (i) Should the motion in [Article 23.02.3\(a\)\(i\)](#) carry by an appropriate majority as specified in [Article 17.04.3\(e\)](#), the appeal is upheld, and the decision of the STP Committee is reversed. In this case, no subsequent motions shall be entertained, and the appeal is concluded.
 - (ii) Should the motion in [Article 23.02.3\(a\)\(ii\)](#) carry by an appropriate majority as specified in [Article 17.04.3\(e\)](#), the Appeal Committee affirms the grounds for appeal to be valid, and no additional motions from [Article 23.02.3\(a\)](#) shall be entertained. The Appeal Committee shall then direct that the additional evidence required to render a fair and reasonable decision be collected. With all required evidence in hand, the Appeal Committee shall then reconsider the appellant's case anew, as if

it were an STP Committee, with all of the associated powers and duties of an STP Committee.

- (iii) Should the motion in [Article 23.02.3\(a\)\(iii\)](#) carry by an appropriate majority as specified in [Article 17.04.3\(e\)](#), the Appeal Committee affirms the grounds for appeal to be valid, and no additional motions from [Article 23.02.3\(a\)](#) shall be entertained. The Appeal Committee shall then reconsider the appellant's case anew, without gathering any additional evidence, as if it were an STP Committee, with all of the associated powers and duties of an STP Committee.
- (iv) A failure of any motion under [Article 23.02.3\(a\)](#) shall mean that the specific ground for appeal pertaining to that motion is dismissed. The failure of all motions presented to the Appeal Committee under [Article 23.02.3\(a\)](#) shall mean that the appeal is dismissed, and that the Appeal Committee has upheld the recommendation(s) of the STP Committee.

23.02.4 Resolution

- (a) After the Appeal Committee has made its recommendation(s), a draft of the letter from the Chair of the Appeal Committee to the appellant respecting the Appeal Committee's recommendation(s) shall be circulated to members of the Appeal Committee, and amended by the Chair as appropriate, prior to its transmittal to the appellant. Copies of the final version of the letter from the Chair of the Appeal Committee to the appellant shall be sent to the appellant's Dean, the Vice-President (Academic) and the Association.
- (b) When the recommendation of the Appeal Committee is to deny promotion, the decision of the Appeal Committee is final and not subject to further appeal. The appellant may apply anew for

promotion, following the process described in [Article 20.03](#).

- (c) When the recommendation of the Appeal Committee is to terminate probation; or in the case of Faculty Members/Professional Librarians to deny tenure; or in the case of an Instructor/Academic Assistant to deny continuing appointment, the recommendation of the Appeal Committee is subject to further appeal, through the process described in [Article 23.03](#).

23.03 Termination of Probation and Denial of Tenure/Continuing Appointment: Hearing Committee Appeals

23.03.1 If an appellant is not satisfied with the recommendation(s) of the STP and Appeal Committees subsequent to an [Article 23.02](#) appeal process, the following process may be invoked by the appellant:

- (a) A Member shall have the right to appeal a recommendation of an Appeal Committee to an [Article 17.04.4](#) Hearing Committee on the grounds that the procedure followed in reaching the recommendation was not fair as defined in [Article 2.26](#) (procedural fairness) including due consideration of the criteria in [Articles 12, 14](#), or [15.06](#).
- (b) Such an appeal shall be heard only if a notice of appeal is submitted in writing to the Vice-President (Academic) giving grounds for the appeal within ten (10) Working Days after the appellant has received notification of the recommendation of the Appeal Committee. Particulars of the grounds for the appeal shall be submitted in writing to the Vice-President (Academic) within fifteen (15) Working Days of the date of the notice of appeal.

23.03.2 Hearing Committee Process

- (a) The Committee has a duty to conduct its deliberations in a manner that is fair, in accordance with the definition of procedural fairness in [Article 2.26](#) and subject to any specific provisions in this Collective Agreement. The Committee may, within the preceding restrictions,

set its own procedures although it shall provide for all of the following during the course of its operation:

- (i) The Committee shall review all evidence considered by the STP Committee and/or the Appeal Committee, and the grounds for appeal. Any refusal of the Member to cooperate with the Committee shall not be construed to vacate the appeal, nor shall it prevent the Committee from reaching a decision.
 - (ii) The Committee shall conduct its review based on the evidence in [Article 23.02.3\(b\)](#) above.
 - (iii) The appellant shall have a right to appear before the Hearing Committee.
 - (iv) All evidence heard, presented to, or collected by the Hearing Committee shall pertain to the review period considered by the original STP Committee or the Appeal Committee process as outlined in [Article 23.02](#) and subject to [Article 23.01.2](#).
- (b) If the procedures used, including due consideration of the criteria in [Articles 12, 14](#), or [15.06](#) by the STP Committee or the Appeal Committee are found to be unfair, the Hearing Committee shall rectify any unfairness and proceed as if it were an STP Committee, with all the powers and duties of an STP Committee.
- (c) If the Appeal Committee recommendation(s) is/are found to be fair, the Hearing Committee shall affirm the Appeal Committee's recommendation(s).

23.03.3 Hearing Committee Decisions

- (a) Within forty (40) Working Days of the third person being named to the Hearing Committee, the Committee shall render its decision in writing to the appellant, with copies to the Dean, Vice-President (Academic), and the Association. If the written rationale is not submitted at this time, it must follow within twenty (20) Working Days

following notification of the decision. The rationale shall consist of a brief review of the salient facts of the case and the principles which form the basis of the Hearing Committee's decision.

- (b) The decision of the Hearing Committee is final and binding on the Board, the appellant, and the Association and not subject to further appeal, unless a violation of Procedural Fairness or principles of natural justice has occurred.

23.03.4 Expenses of a Hearing Committee Appeal

- (a) The following costs shall be assigned by the Committee:
 - (i) reasonable costs of the Committee; and
 - (ii) an honorarium of \$350 per day or part thereof, of which shall be awarded to members of the Committee for each day or part thereof spent on site.
- (b) All other costs incurred pursuant to this Article shall be borne by the Party who contracts them.

23.04 Salary

- 23.04.1 A Faculty Member/Professional Librarian/Instructor/Academic Assistant shall have the right to appeal to an [Article 17.04.3](#) Appeal Committee a recommendation of the STP Committee which results in a performance rating of zero (0) or one-half (0.5).
- 23.04.2 The Appeal Committee shall hear only those appeals submitted in writing to the Appeal Committee Chair within ten (10) Working Days after the Member has received notification of the recommendation of the STP Committee.
- 23.04.3 The process for the hearing of an appeal regarding a performance rating or an increment award shall be that for a hearing of an appeal regarding promotion as provided in [Article 23.02](#).
- 23.04.4 The Appeal Committee shall be empowered to deal with the appeal by making any recommendation that the STP Committee is empowered to make in the case under appeal and the Appeal Committee's recommendation shall take precedence over the recommendation of the STP Committee.

23.04.5 The recommendation of the Appeal Committee with respect to an [Article 23.04](#) appeal shall be final and binding on the Board, the appellant and the Association and not subject to further appeal, unless a violation of procedural fairness or principles of natural justice has occurred.

Article 24: Supervision and Discipline

24.01 Principles of Responsible Supervision and Progressive Discipline

24.01.1 In recognition of the principle of responsible supervision and progressive discipline, the supervising Dean will make every reasonable effort:

- (a) to bring the conduct which could be the subject of concern or of disciplinary proceedings to the attention of a Member in a manner that will assist the Member to correct his/her conduct;
- (b) to specify, in consultation with the Member, an appropriate amount of time for the Member to correct the conduct in question; and
- (c) to undertake disciplinary action under [Article 24](#) only when supervisory actions have been attempted and have failed.

24.01.2 Discipline may be imposed only after an appropriate investigation, for just, reasonable and sufficient cause for violations of responsibilities described within this Collective Agreement, or for non-performance or unsatisfactory performance of duties, and in accordance with the provisions of [Article 24](#).

24.01.3 Discipline under [Article 24](#) shall be:

- (a) limited to the specific complaint(s) about the Member that have been upheld by an appropriate investigation, and other related complaint(s) that may have been identified, investigated and upheld during such an investigation;
- (b) commensurate with the breach of professional duties and/or responsibilities under [Article 11](#) determined by the investigation; and

- (c) subject to Procedural Fairness, defined in [Article 2.26](#).

24.01.4 Normally, Major Discipline will represent the culmination of a process of responsible supervision and progressive discipline, directed to correcting the impugned behaviour of the Member and allowing sufficient time to determine the disciplinary action was effective.

24.02 General

- 24.02.1 Whenever possible, actions pursuant to [Article 24](#) shall be expeditious. Specified time limitations in [Article 24](#) may be altered by mutual consent given in writing and signed by the Parties.
- 24.02.2 In every instance where written notification to the Member is required by [Article 24](#), that notification shall take place by signed letter delivered electronically to the Member's University of Lethbridge e-mail account or in person verified by an affidavit of service.
- 24.02.3 Where [Article 24](#) calls for a meeting between the Member and a Senior Academic Administrator, the Member shall be reminded of his/her right to accompaniment under [Article 11.02.6](#).
- 24.02.4 The Association shall receive copies of all letters that are sent or copied to Members pertaining to Minor and Major Discipline.
- 24.02.5 The Dean/Vice-President (Academic) may suspend or terminate an investigation when the conduct alleged in the complaint becomes the subject of an investigation beyond the authority of the Board and shall provide written reasons for this action to the Member, the complainant Dean (where appropriate), and the Association.
- 24.02.6 Members accused of a criminal offence(s) shall be treated as innocent of that criminal offence(s) until proven guilty. The Parties recognize that a criminal charge or conviction is not in itself grounds for discipline, independent of an adjudication of the facts of the case under [Article 24](#).
- 24.02.7 Where appropriate to the cause of supervisory or disciplinary action, the Member may be given the opportunity to seek treatment/counselling.

24.02.8 Disciplinary measures may be mitigated, altered, reduced or suspended by the Vice-President (Academic) on consideration of factors that influenced the behaviour resulting in the complaint.

24.02.9 The effective date of any discipline shall be as determined by the Vice-President (Academic) for Major Discipline or the Dean for Minor Discipline.

24.03 Personal File

24.03.1 Documents relating to any action taken under [Article 24](#), including any written record of non-disciplinary measures, must be placed and remain in a Member's Personal File, subject to [Articles 24.13.4](#), [24.08.5](#), [24.12.6](#), and the time limits in [Article 9.14](#).

24.04 Supervision and Progressive Discipline

24.04.1 The Dean shall have general supervision over and direction of his/her Faculty/Library and the performance and academic work of its Members subject to this Collective Agreement.

24.04.2 Any violations by Members of the University's Policies, or a Member's responsibilities under [Article 11](#) are subject to appropriate supervisory action and/or disciplinary action, that shall normally be initiated by the Member's Dean.

24.04.3 Supervisory actions are non-disciplinary actions and include such measures as verbal discussions and letters of guidance.

24.04.4 Minor disciplinary actions include such measures as disciplinary letters of warning and letters of reprimand.

24.04.5 Major disciplinary actions include such measures as suspensions with or without pay, and dismissal for cause.

24.05 Supervisory/Disciplinary Processes and Assessment of Members

24.05.1 Supervisory/disciplinary processes must be kept separate and distinct from the processes of academic assessments such as those culminating in Extensions of Probation, Tenure, Continuing Appointment, Promotion, re-appointment and evaluation for salary adjustment. Accordingly, such assessments may be undertaken if supervisory processes or

measures have been initiated under [Article 24.06](#) but no such assessments will be undertaken while [Article 24](#) disciplinary processes are in progress against a Member. All timelines for such academic assessments and decisions shall be suspended for the duration of any investigations and procedures relating to [Article 24](#) disciplinary processes. [Article 24.05.1](#) shall not be used in a manner that might be construed to arbitrarily suspend or delay the academic assessment of Members.

24.05.2 The fact that an action has been imposed under [Article 24](#) cannot, in itself, independent of the facts of the case, be considered in the assessment of a Member with regard to: reappointment; the award of Extension of Probation; Continuing Appointment, Tenure; Promotion or evaluation for salary adjustment.

24.05.3 It may be the case that facts relating to actions that have triggered supervisory/disciplinary action under [Article 24](#) are also relevant to a Member's academic assessment, and these facts may appropriately be put before an STP committee. Where there is an intention to place such facts before an STP committee, the appropriateness of such action will be subject to the provisions of Procedural Fairness and the processes governing the deliberations of that committee under this Collective Agreement.

24.06 Supervisory Processes

24.06.1 Verbal Discussion

- (a) Where an issue is raised with respect to a Member's conduct, the first step will normally be a verbal discussion between the Member and the Member's Dean, who shall keep a record of the content of that discussion. The Dean's record of the discussion shall be entered in the Member's Personal File, and a copy of that record, together with a written statement that it has been placed in the Personal File, shall be sent to the Member.

24.06.2 Letter of Guidance

- (a) Where the impugned conduct of a Member continues after a verbal discussion under [Article 24.06.1](#), the Dean shall meet with the Member to discuss what measures may be necessary to effect satisfactory performance of

responsibilities and duties under [Article 11](#) and [13](#). After this meeting, or after the Member has declined the invitation to attend such a meeting, the Dean will write a Letter of Guidance to the Member specifically identifying the actions the Member should take to correct the conduct. A copy of the letter will be placed in the Member's Personal File and the Member shall be so informed.

- (b) A Letter of Guidance shall state that it is a step in responsible supervision that may lead to progressive discipline. It shall give the Member a reasonable time to correct the conduct described.
- (c) When the Member's performance has not improved to an acceptable extent within a reasonable time after the issuing of a Letter of Guidance, the Dean may initiate formal disciplinary proceedings under the following sections of this Article.

24.07 Minor Disciplinary Measures and Process, excluding Sessional Lecturers

24.07.1 Where the Dean is satisfied that there is reasonable cause to believe that a situation exists that may lead to disciplinary action against the Member in the form of a Letter of Warning or a Letter of Reprimand, the Dean may undertake an investigation or may appoint an appropriate person to undertake an investigation on his/her behalf. An investigation conducted under [Article 24](#) does not constitute a disciplinary action. A summary of the findings of any such investigation shall be provided to the Member as soon as possible after its conclusion.

24.07.2 Before a Dean initiates an investigation, he/she shall as soon as practicable, send a notice in writing to the Member, identifying the nature of the conduct or event that is to be investigated and informing the Member that disciplinary action in the form of a Letter of Warning or a Letter of Reprimand is being considered.

24.07.3 The notice shall request a meeting between the Dean and the Member to discuss the matter and to give the Member the opportunity to respond to the allegations. This meeting will normally be held within ten (10) Working Days of the

Member's receipt of the notice. The Dean may have a representative of his or her choice also attend the meeting.

- 24.07.4 The intent of the meeting or meetings under [Article 24.07.3](#) is to facilitate a full disclosure by both the Dean and the Member so that the matter can be dealt with at the earliest stage possible and so that the matter can, if possible, be resolved on a mutually acceptable basis.
- 24.07.5 After the meeting or meetings with the Member under [Article 24.07](#), and after such further discussions as the Dean considers necessary or in light of any investigation that the Dean has conducted, he/she shall decide whether the minor disciplinary action of a Letter of Warning or a Letter of Reprimand, or greater disciplinary action, is warranted. In the case where the Dean decides that a Major Disciplinary Measure is warranted, the Dean shall invoke the Major Discipline Process beginning with [Article 24.08.1](#).
- 24.07.6 A Letter of Warning or a Letter of Reprimand must be sent to the Member clearly identified as a disciplinary measure, must contain a clear statement of the reasons for issuing the Letter and must state the actions that the Member should take to correct the conduct.

24.08 Major Disciplinary Measures and Process, excluding Sessional Lecturers

- 24.08.1 When a Dean believes that Major Discipline may be warranted, the Dean shall write to the Vice- President (Academic), specifying the complaint(s) against the Member supplying whatever supporting documentation the Dean deems appropriate. The letter must be written within sixty (60) Working Days of the date the alleged conduct became known or ought reasonably to have been known to the Dean. The letter and the documentation shall be copied to the Member and to the Association.
- 24.08.2 Upon receipt of the letter of [Article 24.08.1](#), the Vice- President (Academic) shall immediately and in writing advise the Member against whom the complaint lies of:
- (a) the nature of the complaint;
 - (b) the right of the Member to Association services under [Article 11.02.6](#) (Participation and Accompaniment); and

- (c) the Member's right to meet directly with the Vice-President (Academic) or designate within ten (10) Working Days to discuss the complaint. The Member may, without prejudice, decline to meet with the Vice-President (Academic).

24.08.5 If the Vice-President (Academic) dismisses the complaint, the matter ends with that decision and all materials relating to the complaint are to be removed from the Member's Personal File.

24.09.1 If the Vice-President (Academic) authorizes an investigation of the complaint, he/she shall within ten (10) Working Days appoint an Investigation Committee consisting of one (1) or three (3) persons to carry out an investigation of the complaint to be completed within a reasonable period of time. The Investigation Committee shall make no inferences based on the willingness of a party to meet with the committee or submit a written representation. Upon completion of the investigation, the Chair of the Investigation Committee shall submit a written report to the Vice-President (Academic), copied to the complainant Dean and the Member. This report shall discuss the seriousness of the complaint, the extent to which it has been proven, and appropriate recommendations for resolution of the complaint. In the case of a three- (3-) member Committee, the chair shall submit the report after consultation with the other members of the Committee; other members may submit their own separate report to the Vice-President (Academic), with copies to the other members of the Investigation Committee, the Member and the complainant Dean.

- 24.12.2 The Vice-President (Academic) shall, in writing, within ten (10) Working Days of the final written submissions under the complaint:
 - (a) dismiss the complaint; or
 - (b) discipline the Member, stating the effective date on which the discipline is imposed. The discipline shall be commensurate to the offense up to dismissal for cause. Such decision shall be final and binding, subject only to [Article 24.14](#).

- 24.12.3 If the Member is dismissed for cause, then cause shall mean professional incompetence and/or gross misconduct and/or serious and persistent neglect/non-performance of duties or breach of responsibilities.

- 24.13.1 If the Vice-President (Academic) decides that the written complaint in [Article 24.08.1](#) shows a breakdown in interpersonal relations, the Vice-President (Academic) shall recommend participation in alternative dispute resolution procedures, such as confidential, professional mediation.
- 24.13.2 If such alternative dispute resolution procedure is successful, the parties shall notify the Vice-President (Academic) in writing, and no further action on the complaint shall be taken. If such procedure is not successful, the Vice-President (Academic) shall be so informed, and the matter shall revert to the Major Discipline Process.
- 24.13.3 If the Vice-President (Academic) deems it appropriate, he/she may suspend the Major Discipline Process subject to the Member undergoing counselling; should the Member decline such counselling service, the Process shall resume.
- 24.13.4 Proceedings under Alternative Measures are confidential and cannot be used in any proceedings. As specified in [Article 9.04](#), any record of such proceedings will not enter a Member's Personal File.

- 24.14.2 The matter shall be referred to a single arbitrator, who shall be appointed by the agreement of the President of the University and the President of the Association within five (5) Working Days after the Association has given notice of referral. Failing agreement within those five (5) Working Days, the arbitrator shall be appointed following provisions of the Alberta Labour Relations Code.
- 24.14.3 The arbitration shall otherwise be conducted in accordance with the provisions of [Articles 22.03.6\(f\)](#) and [22.03.6\(g\)](#).

24.16 Disciplinary Process for Members holding Sessional Lecturer Appointments

- 24.16.1 When a Dean has reasonable cause to believe that cause may exist for the discipline of a Member holding a Sessional Lecturer Appointment, the Dean will meet with that Member to seek a response to the allegations against the Member.
- 24.16.2 Following the meeting in [Article 24.16.1](#), the Dean may impose a disciplinary measure commensurate to the offense, or decline to proceed further with the disciplinary process.

- 24.16.3 When the process under [Article 24.16](#) has been commenced by the Dean, he/she will inform the Member in writing, with respect to the Dean's decision under [Article 24.16.2](#).

Article 25: Termination of Appointment for Financial Emergency or Due to Program Redundancy, Not Applicable to Members Holding Term Appointments or Sessional Lecturer Appointments

25.01 No probationary, continuing, or tenured Member shall be terminated following a declaration of financial emergency or of program redundancy except in accordance with this Article.

25.02 Financial Emergency

25.02.1 A state of financial emergency is defined as a situation in which the University faces a substantial and potentially chronic financial deficit which

- (a) threatens the continued functioning of the University as a whole; and

(b) cannot be alleviated without reductions from more than one employee group in order to reduce the University's budgetary allocation to salaries and benefits.

- 25.02.2 The Board may declare that a state of financial emergency exists only after giving thorough and reasonable consideration to a report by the Financial Emergency Commission established under [Article 25.02.6](#).
- 25.02.3 In the event that the President considers that a financial emergency may exist within the meaning of [Article 25.02.1](#), he/she shall give notice to the Board, General Faculties Council (GFC), and the Association that he/she intends to recommend that the Board declare a financial emergency. As of the date of such notice and until the Board has approved a plan to resolve the financial emergency, if it exists, the Board undertakes to make no additional continuing, probationary or term appointments to the academic, administrative, or non-academic complement, except if required for the maintenance of essential functions and services, as determined by the Board and communicated to the Association.
- 25.02.4 Within ten (10) Working Days of the President's notice that a financial emergency may exist, the Board shall consult with the Association on the terms of a career transition incentive program which may include but is not limited to a voluntary early retirement program, a voluntary separation program or a voluntary reduced load program. Eligible probationary, continuing, or tenured Members shall indicate in writing, within forty (40) Working Days, their willingness to participate in such career transition incentive program.
- 25.02.5 Within ten (10) Working Days of the President's notice that a financial emergency may exist, he/she shall forward to the Association a copy of the documentation he/she is providing to the Financial Emergency Commission established under [Article 25.02.6](#).
- 25.02.6 Financial Emergency Commission
- (a) Within ten (10) Working Days of the President's notice that a financial emergency may exist, the Board and the Association shall create a Financial Emergency Commission.
 - (b) The Financial Emergency Commission shall consist of five (5) Members, two (2) of whom shall

- be appointed by the Board, and two (2) of whom shall be Members appointed by the Association.
- (c) An independent chair shall be selected by mutual agreement between the Board and the Association.
 - (d) In the event that the Board and the Association cannot agree on a chair within five (5) Working Days of the President's notice under [Article 25.02.3](#), the chair shall be named by the Director of Mediation Services for the Province, pursuant to the Code.
 - (e) The Financial Emergency Commission shall verify the potential financial emergency and shall examine whether or not the Board has explored in good faith a wide variety of methods of avoiding declaration of a financial emergency, including but not restricted to leaves of absence, early retirements, re-deployment, termination of term contracts, and methods of expenditure reduction and revenue enhancement other than layoffs.
 - (f) The Financial Emergency Commission shall establish its own procedures, except that
 - (i) the minutes of each of its meetings shall be published to the University community within three (3) Working Days;
 - (ii) its quorum shall be a majority of its members; and
 - (iii) unless the Commission decides otherwise, hearings of oral evidence, if any, shall be open to the University community.
 - (g) The costs of the Financial Emergency Commission, other than as provided in [Article 25.02.6\(h\)](#) shall be paid by the Board except that all costs incurred by or for each Party shall be paid by that Party.
 - (h) The Financial Emergency Commission may retain the services of a qualified financial consultant to assist it, but the responsibility for the report remains with the Financial Emergency Commission; the costs incurred up to ten thousand dollars (\$10,000) will be borne by the Board; further costs, to a maximum of an

additional ten thousand dollars (\$10,000) shall be shared by the Board fifty percent (50%) and the Association fifty percent (50%). Expenses beyond this limit may be incurred only following consultation with and approval by the Board and the Association.

- (i) The Board shall cooperate with the Financial Emergency Commission in its deliberations and shall accommodate any reasonable request for documentation.
- (j) Within thirty-five (35) Working Days of the President's notice under [Article 25.02.3](#), the Financial Emergency Commission shall report in writing to the Board, with copies to GFC, the President and the Association. The report shall indicate
 - (i) whether or not the Committee agrees that a financial emergency is imminent;
 - (ii) a recommendation on the amount of reduction in expenditure required; and
 - (iii) a recommendation on the amount, if any, of the reduction to be achieved from probationary, continuing, and tenured Members' salaries and benefits.
- (k) The Financial Emergency Commission may also recommend steps the Board might take to avoid a financial emergency.
- (l) A failure of the Financial Emergency Commission to report within this time limit shall relieve the Board of the constraint under [Article 25.02.2](#). In the event the members of the Financial Emergency Commission fail to reach a consensus report, individual members or groups of members of the Commission may release a minority report or reports on their own behalf, which shall together constitute the Financial Emergency Commission report for the purposes of this Article.
- (m) After the Financial Emergency Commission reports or if it fails to report, the Board and Association shall have a period of seventeen (17) Working Days to meet to consider the recommendations of the report, if any, and may,

notwithstanding any provision to the contrary in this Collective Agreement, negotiate provisions of this Collective Agreement that bear directly on the salaries and benefits of probationary, continuing or tenured Members, or reach other mutually acceptable emergency provisions to reduce expenditures to avert a state of financial emergency. If an agreement is reached, both Parties shall arrange that the necessary ratification votes occur within ten (10) Working Days of the conclusion of negotiations.

- (n) Following the process in [Article 25.02.6\(m\)](#) the Board must decide whether a financial emergency exists. If the Board declares that a financial emergency exists in the University, it may institute layoffs of probationary, continuing, and tenured Members according to the provisions of [Article 25.04](#).
- (o) In the event that the Board decides that a financial emergency does not exist for the reasons originally set out by the Board, as defined in [Article 25.02.1](#), then no notice for the same or substantially similar reasons [Article 25.02.3](#) shall be given for a period of twelve (12) months from the date of the original notice under [Article 25.02.3](#).

25.03 Program Redundancy

25.03.1 Program redundancy, as defined in [Articles 25.03.2](#) and [25.03.3](#), may be declared only by the Board, after receiving recommendations from GFC. Before GFC makes a recommendation, the Board must provide each academic unit affected with a reasonable opportunity to comment to GFC upon the proposed redundancy. Such a declaration may be made by the Board for reasons defined in [Articles 25.03.3](#).

25.03.2 A program is defined as a group of credit courses, normally comprising a major that, on completion, leads to the granting of a degree, diploma or certificate. Program redundancy results in one or more positions, vacant or occupied by a probationary, continuing, or tenured Member, being declared unnecessary.

25.03.3 A program may be declared redundant for one or more of the following reasons:

- (a) changing Board priorities or restructuring of the University's academic programs: as a consequence of a decision by the Board, after receiving recommendations from GFC;
- (b) low student enrolment: when recent history and reasonable projections into the future indicate that the level of enrolment, in proportion to the resources committed to that program, will continue for more than three (3) years significantly below the average of the relevant faculty;
- (c) a material loss of funding given to the Board for the support of the specific program;
- (d) other external factors which specifically affect enrolment in the particular program and over which the Board has no control, such as changes in the requirements for certification in various professions.

25.03.4 After consultation with the appropriate Dean, the Vice-President (Academic) may request that one or more programs be considered for redundancy by writing to the President as Chair of GFC, indicating the program to be considered for termination or reduction and giving detailed reasons for the request; copies of the request and supporting documentation shall be forwarded to GFC, the Board and the Association within ten (10) Working Days of the initial letter of request.

25.03.5 Redundancy Committee

- (a) Following the request in [Article 25.03.4](#), the President shall initiate the formation of a Redundancy Committee.
- (b) The Redundancy Committee shall be composed as follows:
 - (i) a chair appointed by GFC;
 - (ii) two (2) other members and one (1) alternate appointed by the GFC;
 - (iii) one (1) member appointed by the Vice-President (Academic);
 - (iv) the Dean of the Faculty involved; and,

- (v) one (1) member, with voice but not vote, appointed by the Association.
- (c) The alternate member may attend all meetings but may not participate unless required to act as an alternate for a missing regular member.
- (d) In the event that GFC fails to appoint the required members, the President shall appoint them from among the elected members of GFC.
- (e) This committee shall hold its first meeting within ten (10) Working Days of the GFC meeting following the receipt of the request by the President.
- (f) The Redundancy Committee shall establish its own procedures, except that:
 - (i) its hearings shall be open to the University community;
 - (ii) its quorum shall be all of its voting members;
 - (iii) reasonable effort shall be made to schedule meetings to allow attendance by the non-voting member.
- (g) The Redundancy Committee shall assess whether the request to consider a program or programs for redundancy is consistent with the reasons set out in [Article 25.03.3](#). If the Committee considers that a program may be redundant, it may include in its report recommendations for action that may prevent layoffs stemming from the redundancy.
- (h) Within twenty (20) Working Days of its first meeting, the Redundancy Committee shall submit its report in writing to the President as Chair of GFC.
- (i) GFC shall consider the report at its next meeting following the receipt of the report by the President. The President shall forward the report and GFC's recommendations to the Board. A copy of both the report and GFC's recommendations, if any, shall be sent to the Association.
- (j) Following thorough and reasonable consideration of the report and the recommendations made by GFC, the Board may declare the program

redundant. The Board shall notify GFC and the Association of the effective date of program redundancy, which effective date will be either January 1 or July 1.

- (k) A failure of the Redundancy Committee or GFC to submit a report within the timelines specified in [Articles 25.03.5\(h\)](#) and [25.03.5\(i\)](#) shall relieve the Board of any constraints under this Article in declaring the program redundant. In the event the members of the Redundancy Committee fail to reach a consensus report, individual members or groups of members of the Committee may release a minority report or reports on their own behalf, which shall together constitute the Redundancy Committee Report for the purposes of this Article.

25.03.6 Career Transition Incentive Program

- (a) After consultation with the Association, the Board shall offer to each probationary, continuing, or tenured Member in a redundant program a career transition incentive program which may include but is not limited to a voluntary early retirement program or a voluntary separation program. Within forty (40) Working Days of the offer, the Member shall indicate in writing whether he/she accepts.
- (b) Concurrent with any offer under [Articles 13.02.8](#) or [25.03.6\(a\)](#), the Board shall make reasonable efforts to offer to each probationary, continuing, or tenured Member in a redundant program one or more of the following, as deemed appropriate by the Board:
 - (i) reassignment according to [Article 25.03.7](#);
 - (ii) any other alternative which may be implemented with the mutual consent of the Board and the Member.
- (c) The Vice-President (Academic) shall consult with probationary, continuing, and tenured Members in the affected program or programs to develop proposals for the options listed in [Articles 25.03.6\(b\)\(i\)](#), or [25.03.6\(b\)\(ii\)](#) above.
- (d) The Member shall have at least fifteen (15) Working Days to accept any offer under [Articles 25.03.6](#) or [25.03.7](#).

- (e) The Member shall accept at most one of the offers in [Articles 25.03.6\(a\)](#) and [25.03.6\(b\)](#).
- (f) If the Member does not accept the option offered under [Article 25.03.6\(a\)](#), and if no proposal under [Article 25.03.6\(b\)](#) is satisfactory to both the Member and the Board, the Member shall be laid off pursuant to [Article 25.04](#).

25.03.7 Reassignment

- (a) From the date of a decision of the Board under [Article 25.03.5\(j\)](#) until the end of the working notice period under [Article 25.04.4](#), probationary, continuing, or tenured Members affected by a program redundancy will be notified of all vacant academic positions, with copies to the Association.
- (b) If the Board declares a program redundancy under [Article 25.03.5\(j\)](#), it shall make reasonable effort to reassign probationary, continuing, or tenured Members affected by the reduction to vacant or newly established Member positions in other programs or to vacant or newly established non-academic positions. Such reassignment shall occur only if, in the judgement of the relevant Search Committee, after its consultation with the Vice-President (Academic), the Member possesses the expertise required to fulfil the responsibilities of the vacant or newly established Member position or vacant or newly established non-academic position or can acquire the expertise within a reasonable time, pursuant to [Article 13.05](#). When a Member accepts a transfer to a non-academic position, the terms and conditions of employment of such position shall apply, and the Member ceases to be a Member of the Association on the date that the transfer becomes effective.
- (c) If a Member is reassigned to another Member position following a declaration of program redundancy under [Article 25.03.5\(j\)](#), his/her rank, type of appointment, seniority and compensation shall not be altered by the reassignment.
- (d) The Board may require the Member who is reassigned to participate in a retraining program at the Board's expense.

- (e) If a Member is offered a reassignment, with or without retraining provision, and declines, the Member shall be laid off according to the provisions of [Article 25.04](#).
- (f) If there are no positions suitable for reassignment of a probationary, continuing, or tenured Member affected by a declaration of program redundancy, the Member shall be laid off according to the provisions of [Article 25.04](#).

25.04 Layoff

25.04.1 Seniority

- (a) For the purposes of [Article 25](#), seniority shall be established by the most recent date upon which continuous employment with the University commenced; however, seniority may be transferred in for full years served in an academic appointment at the University or an appointment at another degree-granting institution provided that:
 - (i) the appointment meets all of the criteria in [Article 12.01](#) for Faculty Members, [Article 14.11.1](#) for Professional Librarians, or [Article 15.06](#) for Instructors and Academic Assistants; and
 - (ii) the Member possessed full academic credentials for the years of service in question.
- (b) Any transfer of seniority shall be specified in the letter of offer. For Members already on staff when this agreement is ratified, time served in a probationary appointment and as a tenured or continuing Member at the University shall be counted toward seniority. Credit for verified prior service meeting the criteria in [Articles 25.04.2.a.i](#) and [25.04.2.a.ii](#) above shall be granted upon application.

25.04.2 Effect of Leaves of Absence

- (a) Continuity of employment shall not be affected by leave taken in accordance with this Collective Agreement nor leave taken under any previous versions of this Collective Agreement or previous

Faculty Handbooks. Seniority shall be accumulated during leaves of absence with pay and leaves of absence in which Members are paid from a Supplemental Unemployment Benefits (SUB) Plan. Seniority shall not be accumulated during any leave of absence without pay.

25.04.3 Order of Layoff

- (a) Under both financial emergency and program redundancy as defined in this Article, Members holding probationary, continuing, or tenured appointments shall be laid off in the order of reverse seniority.
- (b) If two (2) or more Members have equal seniority, the order of layoff, if necessary, will be decided by lot.
- (c) Under financial emergency, the Vice-President (Academic) shall be free to designate a number of Members to be excluded from the list of persons subject to layoff; the number in question shall not exceed twelve percent (12%) of the average number of Members (excluding any such inactive Members) employed during the previous Academic Year.
- (d) Under program redundancy, the proportion of Members who can be so designated shall be limited to twelve percent (12%) of the membership of the program designated redundant with a minimum of one (1) person.
- (e) The case for retention of an individual Member shall be made by the appropriate Dean in writing to the Vice-President (Academic) with copies to the Association, and shall be based upon the requirement of academic plans previously approved by GFC, or the quality of programs of instruction or research.

25.04.4 Notice Period

- (a) Following a Board decision on the recommendation of the President, probationary, continuing, or tenured Members who are to be laid off under this Article shall be provided with written notice, with copies to the Association. Layoffs

under this Article shall not be recorded as dismissals for cause.

- (b) Each Member with a probationary, continuing, or tenured appointment who is selected for layoff shall receive not less than four (4) months written notice of layoff or salary and benefits in lieu of notice, or a combination of notice plus salary and benefits to the equivalent of four (4) months, plus one (1) month's salary and benefits for each year of service with a minimum of four (4) months and a maximum of twelve (12) months salary and benefits. Benefits in [Article 25.04.4](#) are taken to mean the cash equivalent of the Board's contribution to the Member's benefits at the time of layoff.
- (c) Members who are laid off shall enjoy reasonable access to library and computer network access until alternative academic employment is secured, their recall rights expire, or recall is refused, whichever occurs first. With the consent of the Dean, access to other facilities may be granted. In addition, laid-off probationary, continuing, or tenured Members shall have access to the Tuition Benefit Program during the notice period.
- (d) While a Member is on layoff under the provisions of this Article, the Board will not contribute towards benefits but will permit and facilitate continuance of any coverage if available and if desired by the Member who will pay the applicable premiums.

25.04.5 Recall

- (a) Any Member who, under this Article, is laid off, who voluntarily accepts reduced load appointments, or who accepts reassignment to a position outside the Collective Agreement shall have, for a period of two (2) years from the date of lay off, reduced load appointment, or reassignment, a right of first refusal for any Member position in their former academic unit unless the relevant Search Committee determines that the Member does not have the necessary specialized knowledge. For these purposes the academic unit shall be the academic department, where academic departments exist, and in all

other cases the relevant Faculty or Library. Throughout this recall period the Board shall notify affected Members of any vacant Member positions in their former academic unit, as such positions become available. If more than one such Member applies for a vacant position, the decision of the relevant Search Committee shall be final.

- (b) Any Member who is laid off under the provisions of [Article 25](#) shall have, for a period of one (1) year from the date of layoff, the right of refusal for any other vacant Member position in the University for which the Member is qualified, as judged by the relevant Search Committee established under this Collective Agreement. Throughout this recall period the University shall notify laid off Members of any vacant Member positions at the University as such positions become available. If more than one such Member applies for a vacant position, the decision of the relevant Search Committee shall be final.
- (c) The right of first refusal in [Article 25.04.5\(b\)](#) is subsidiary to the right of first refusal in [Article 25.04.5\(a\)](#).
- (d) Any Member who is laid off under the provisions of [Article 25](#), shall, for a period of one (1) year from the date of layoff, be considered, upon application, as an internal candidate for any other vacant non-academic position in the University for which the Member is qualified, as judged by the relevant Search Committee. If more than one such Member applies for a vacant position, the decision of the relevant Search Committee shall be final.
- (e) Individuals who are recalled under [Articles 25.04.5\(a\)](#) or [25.04.5\(b\)](#) shall have up to one (1) month from the time of offer to accept the recall offer, and a period of at least six (6) months from the time of offer, to take up the position. The time of offer shall be measured from the date of mailing of the offer to the last known address of the Member. It is the Member's responsibility to inform the University of his/her current address.
- (f) A Member who accepts recall under this Article shall, within one (1) year of recall, repay any portion of the combined layoff compensation

specified in this Article and the salary and benefits in the new position which exceeds the salary and benefits the Member would have been paid had he/she continued to occupy his/her former position.

- 28.01.2 The Board and the Association recognize that the common good of humanity depends upon the scholarly search for knowledge in all fields of study and upon its free exposition.
- 28.01.3 In order that the Member has control over the direction, integrity and use of his or her scholarly work, as a general principle ownership of all types of intellectual property shall rest with the Member who creates it.
- 28.01.4 No Member shall be obliged to engage in or to permit the commercial exploitation of or transfer of intellectual property derived from his or her scholarly work or to provide commercial justification for it.

- 28.01.5 No Member shall enter into or shall be obliged to enter into any agreement requiring the Member to permanently refrain from the publication of the results of the Member's work.
- 28.01.6 The Board and the Association recognize that a central, defining responsibility of the University is the creation and dissemination of new knowledge, and that this knowledge stems from scholarly research into basic aspects of nature and other forms of creative intellectual and artistic investigation. The Board and the Association affirm that because this process of discovery is supported by the citizens of Canada and Alberta, these citizens should share in the benefits flowing from it. In all cases these benefits are ultimately to be enjoyed by means of public exposition of new knowledge or creative works through publications, presentations, exhibitions, performances, or teaching. However, the benefits of research may also be shared through commercialization or other means of transfer of intellectual property, so long as this activity does not conflict with the obligation of the University to generate and disseminate knowledge for the public good.
- 28.01.7 The Board and the Association shall create a five (5) person Committee on Patents and Copyrights composed of two (2) members appointed by the Board, two (2) Members appointed by the Association. As required, a Chair will be chosen by mutual agreement between the members appointed by the Board and the Association prior to considering any case. The Committee shall render a decision within forty (40) Working Days of receipt of a request.
- 28.01.9 Disagreements concerning ownership or disposition of intellectual property involving any Member may be referred by any of the parties to the disagreement to the Committee on Patents and Copyright.

28.01.10 The Board shall give reasonable assistance to Members to protect ownership of the intellectual property in which the Board has an agreed interest and to prevent any use of this property not authorized by the Members concerned.

28.01.11 The Board and the Association recognize the desirability of retaining use of all intellectual property created at the University for non-commercial educational and research purposes at the University.

28.01.12 Any timelines specified in this Article may be adjusted by mutual written agreement of the Board and the Member. Wherever possible, actions pursuant to this Article shall be expeditious.

28.02.4 No contract or written agreement between the Board and a Member shall contain a clause waiving moral rights.

28.02.5 In the event that an original work is the creation of more than one member, the provisions of this article apply on a pro rata basis to all the creators of the work.

28.02.6 In the event that the Board relinquishes its rights in any work, all intellectual property rights shall revert back to the first owner or, if deceased, the estate of the first owner.

28.02.7 In cases where the Member is explicitly instructed to create work as part of the Member's assigned duties according to [Articles 13, 14](#) and/or [15](#), the copyright in any such work belongs to the Board.

28.02.8 Transfer of Ownership

(a) In the cases referred to in [Article 28.02.3](#), the Board will normally transfer its ownership rights on such a work to the author (or group of authors) provided:

- 28.03.2 The Board has no interest in intellectual property created by a Member where that creation is unrelated to the expertise that is the basis for the Member's employment by the Board, or in intellectual property created by a Member where the Member can demonstrate that the creation is unrelated to the Member's employment by the Board.
- 28.03.3 The Member may sell, transfer, or publicly disclose information concerning any invention, improvement, design, development, or any other patentable property that he/she has created as he/she chooses, except for constraints provided by [Articles 28.03.5](#), [28.03.6](#), [28.03.7](#), and [28.03.8](#).
- 28.03.4 Except as noted in [Articles 28.03.3](#), [28.03.5](#), [28.03.6](#), [28.03.7](#), and [28.03.8](#) the Board shall make no claim to any invention, improvement, design, development, or any other patentable property made by a Member.
- 28.03.5 A Member shall fully disclose to the Board his/her intellectual property should the Member decide to pursue commercialization or prior to any direct or indirect disclosure to any other party who might have an interest in commercialization. The Member and the Board shall maintain the confidentiality required to protect the patentability of inventions.
- 28.03.6 Any claim that the Board may wish to make on any patentable property made by a Member shall be established in a written assignment agreement with the Member which assigns a portion of the net revenue resulting from the development of the patentable property to the Board prior to the development of the intellectual property. The Member may choose to assign ownership of the patentable property to the Board. This shall in no way infringe upon a Member's freedom to choose his/her own research activities or to decline to participate in specific research activities.
- 28.03.7 Unless otherwise mutually agreed in writing by the Board and the Member, the Member will work in collaboration with the Board in evaluating the commercial potential of a patentable property prior to collaborating with another party interested in commercialization. The Board and the Member shall disclose to each other information obtained during the evaluation period. This evaluation period may be adjusted upon mutual agreement by the Member and the Board, and such an adjustment may not be unreasonably refused by either the Member or the Board.

- (a) If the Board decides not to proceed with a patent application or not to proceed to develop the intellectual property in another way within one-hundred and twenty (120) Working Days of the Member's disclosure, then the Board waives any claim to this patentable property and the Member may freely transfer, sell, or in any other way dispose of his/her patentable property.
- (b) If, as a result of evaluation, the Board decides that the intellectual property should be developed or sold or transferred in any other way, such development or sale or transfer will only occur with the prior written agreement of the Member.
- (c) If an agreement is not obtained according to [Article 28.03.7\(b\)](#), then the Member may freely transfer, sell, or in any other way dispose of his/her patentable property, subject to the following conditions:
 - (i) Expenses incurred during the process of evaluation and/or protecting the intellectual property shall be reimbursed according to [Article 28.03.10](#).
 - (ii) The Member shall notify the Board of his/her intent to transfer, sell, or in any other way dispose of his/her patentable property and the identity of the proposed recipient, at least twenty (20) Working Days in advance of such assignment, sale, transfer or disposal of their rights in the patentable property. Furthermore, the Member is obliged to disclose to the proposed recipient of their patentable property rights, of the Member's obligations to the Board, as set out in this Article.
 - (iii) Unless otherwise mutually agreed in writing, the Member shall pay to the Board, on an annual basis, a twenty-five percent (25%) royalty of the net income to the Member generated from the patentable property in the preceding twelve (12) months. The royalty payments will be payable annually for the duration of

the commercialization of the patentable property. The annual royalty payments will be based on audited annual financial statements that will be provided to the University within sixty (60) Working Days of the commercial entity's fiscal year end. In the event that the Member proposes to assign, or sell, or transfer, or otherwise dispose of his/her patentable property rights to a Third Party, the Member shall inform the Board in writing at least twenty (20) Working Days in advance of the proposed disposition, and shall reach an agreement with the Board regarding the Member's obligations to the Board under this Article prior to the disposition.

- (iv) Where the Member is, or might reasonably appear to be, in conflict of interest or commitment with respect to the recipient of the patentable property rights, the Member shall declare that apparent conflict to the Board and conclude an agreement with the Board for the management of that conflict in a manner that will withstand the test of reasonable and independent scrutiny.

28.03.8 In the event that the Member secures a patent through collaboration with the Board the revenue over expense from commercialization or transfer shall be shared equally between the Board and the Member, unless otherwise agreed by both the Board and the Member.

28.03.9 Where possible, the royalty-free usage of patentable intellectual property will be retained for non-commercial educational and research purposes at the University.

28.03.10 Funds advanced by a party to this agreement to evaluate or to secure legal protection of intellectual property shall have priority for return to the party who advanced the funds from earnings arising from development of the intellectual property.

28.03.11 "Net Income" means all consideration received by the Member or the University from third parties, from the sale or licensing, in accordance with Article 28, of a patentable property or other form of intellectual property less the out-of-

pocket costs paid by those parties for obtaining the patent and granting, performing and enforcing any assignment or licensing of such invention. Any consideration not received in cash shall be valued by agreement between the University and the Member, failing which the value shall be determined by arbitration.

Hiring ULFA Employees as Sessional Lecturers

Following from a meeting of September 13, 2017, the Board and ULFA agree to resolve an unfair labour practice complaint without bringing it to the Labour Relations Board regarding the decision not to hire the Executive Director of ULFA for a Sessional Lecturer position with the University of Lethbridge.

The following agreement resolves the complaint:

The Board formally acknowledges the obligation to support ULFA membership and participation among its faculty members and potential faculty members.

The Board will not prohibit the employment with the University of Lethbridge of an employee of ULFA because of his/her employment with ULFA, in conjunction with number 3 below ensuring all required qualifications are appropriate for appointment and approval.

Any application for employment with the University of Lethbridge by an employee of ULFA will be assessed solely on the criteria relevant to the position being sought.

Both parties agree that this Collective Agreement applies to employees of ULFA who work as Sessional Lecturers, as it does to employees of other external employers seeking such employment; they further agree that ULFA employees will not be subject to unusual treatment under this Collective Agreement because of their status as employees of the union.
